

National Symposium on

# Molecular Intricacies of Plant Associated Microorganisms 2025

MIPAM 2025

7-8<sup>th</sup> March 2025

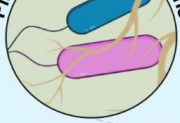

Indian  
Institute of  
Technology  
Mandi

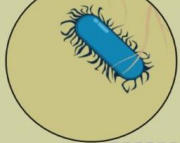

Phyllosphere microbiome

Plant-microbe interactions

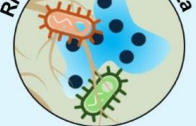

Root pathogens

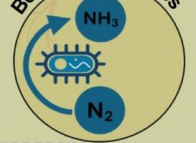

CO<sub>2</sub>

Rhizospheric microbiota

Beneficial microbes

## MIPAM 2025

This symposium aims to provide platform to expert scientists and young scholars to discuss latest advances in Molecular communication between Plants and Microorganisms, Pathogen and Host plant Interactions, Beneficial Microbial Associations, Latest technological advances and omics in plant microbial R&D towards Biotechnological Applications.

*Funded By:*

National  
Research  
Foundation

For registration visit

Website: [MIPAM 2025](http://MIPAM2025)

**Patron:**

Prof. Laxmidhar Behera  
Director, IIT Mandi

**Convener:**

Prof. Shyam Kumar Masakapalli  
School of Biosciences and  
Bioengineering  
IIT Mandi

**Venue:**

Indian Institute of  
Technology Mandi
